My Internship Supervisor has turned in the Intern Performance Evaluation form to my Faculty Advisor

YES NO

PART II – On a separate piece of paper, please provide brief responses (1-2 paragraphs) to each of the following questions:

1. Describe your internship role and list some of your responsibilities.
2. What knowledge and skills did you gain and how do you plan on applying them in the future?
3. What were the most rewarding aspects of your experience?
4. If you could change anything about your internship experience, what would it be, and why?
5. How does this internship relate to your long-term educational or career goals?
6. What advice would you give to students who are considering an internship?

PART III

Please attach a sample of the work that you completed during your internship. This can be a paper, news article, poster, PowerPoint slides, video, etc.

PART IV

How did you find out about this internship?

Would you recommend this internship to other students? ___ YES ___ No

Do we have permission to share your internship experience with other students and on social media?

___ YES ___ No

Please return this completed form to your faculty advisor and send a copy of it to your Environmental Sciences Student Services Advisor. Questions can be directed to Kathryn Jones (CALs), kjones26@wisc.edu or Nicole Wiessinger (L&S), wiessinger@wisc.edu
